

A 1980s and 1990s Quiz, uniquely celebrating everything from the 1980s and 1990s in terms of music, TV, films, brands, ads, celebrities etc. But this is not your average quiz! Oh no, we have come up with a fun-filled, nostalgia-packed quiz that encourages everyone to take a trip down memory lane. We go way beyond asking questions, including using props, singing intros and choruses ourselves, reenacting classic film and television moments, and so on to keep things fresh and fun, and entirely different to anything else around. The responses and reviews have been fantastic, with so many people saying they've never had a night quite like it.
